▼ We were promised 79 Days of Hell. This is Day 65. War is Hell. Hold the FUCKING LINE and stop the in-fighting BULLSHIT. Trump and Pence are in PERFECT AGREEMENT, Trump tweets are 4D chess, and we HAVE THEM where we WANT THEM.

The left is celebrating Trump supporters hating police. Any of them who look into this Funsy Factoid will discover

1. We have beef with specific departments
2. D.C. Police and other departments ARE Antifa

The left in the coming days will be lavishing Trump's VP with praise. He will be like a God to them. Among us supporters, the eyes-open Trumpers (THE ONLY ONES THAT **FUCKING MATTER**) will see past the fake news and realize that while he issued one tweet proclaiming Pence's non-use of options available he both TRICKS THEM INTO SUPPORTING PENCE and TRICKS THEM INTO CALLING THE VP's CHECK/BALANCE POWER VALID BY CELEBRATING HIS FAILURE TO USE THEM.

We descended on D.C. in absolutely massive numbers. We broke through into their capitol building FUCKING EFFORTLESSLY. They martyred an AIR FORCE VET (the perverts love hurting women). Now think about their horrible response time to our breach of their stupid perimeter barricades. We were THERE quite earlier than we SNAPPED. And when we snapped, we held back. Now imagine if we had got the same summons to gather but Trump then said "GO TIME FUCKING DO IT WEAPONS HOT." There were constitutional carriers all in the crowd. I carried. Both my friends did. I could see plenty less-than-subtle concealed pistols. Now imagine the damage we could have done to the fuckers. AND THAT'S WHY NO MEMBER OF THE DEEP STATE SHALL SLEEP TONIGHT.

Furthermore. We could have fucked them. Hard. AND GOT AWAY TOO. Trump, after we had been there QUITE SOME TIME, issued the fade-away order and we all gracefully wisped away. Their reinforcements TOOK FOREVER TO SHOW UP. We wrestled them to the ground and stole their fucking mace for crying out loud. And got away. Who'd have thought we would march into the capitol building and most of the people who were in there would seamlessly blend into the crowd, smiling and waving at the reinforcements who fucking missed us drastically?
